Dhirajalal Gandhi College of Technology, Salem, organized A One day National Level Technical symposium on Saturday - 14th May 2022. The symposium witnessed overwhelming response from participants who registered online and on spot from various colleges. The following events were organized as part of the symposium: Paper/Project Presentation (common for all departments) and Technical contests.

Civil department symposium "FREYSSINET 2K22" comprised of non-technical contests - Reveal the civil, Mr/Ms..Surveyor, Build a frame and Topography puzzle. Computer Science department's "NOVITAS'22" conducted non-technical events - Code the Race, Adzapp, Mingle Bingo, Capture the flag, Goggling, Web Designing. Electronics and Communication Engineering department's "ABHIGYAAN 2022" conducted the events Circuit Debugging, Tech Connect, FIXIT and Line Follower. Electrical and Electronics department's SCYPEE 2022 organized the events - Circuitrix, Technical Quiz and Tech Connection. Mechanical Engineering department's "MECXSTORM 2K22" comprised of the events - Water rocketry, Paper rocketry, Design contest and Technical quiz.

The participants were well directed to their respective venues to take part in various events. It was an enriching session for the participants, where they learned about fortitude to think critically, plan, execute and achieve. At the end of the events, certificates and trophies for winners were distributed in the respective venues. The positive feedback from the participants proved that the symposium had contributed immensely to their skill. The program was wrapped up around 4.30 p.m.
