Dear Srividhya ,

Congratulations and welcome to Infosys!

As a preparatory step for all our offered students who will be joining Infosys, we require you to enroll on our **Lex** platform which has been created for our exclusive group of campus recruits. **Lex** is our advanced, anytime, anywhere learning platform to facilitate Learning-on-the-go. Registration on Lex is mandatory for all our campus hires.

The Infosys training program comprises three segments viz., **Foundational, Technical Stream and Soft Skills**. Through Lex, you get an opportunity to complete the **Foundational segment** even before you join us at Mysore. Within a week of your joining at Infosys, you will be administered a pre-training assessment on topics covered in **Lex**. Upon **Clearing the assessment**, you will be a **fast-tracker** and advance to the Stream and Soft Skills segments of our training program directly!

Benefits of this acceleration

- Shorter training program
- Faster deployment to unit
- Quicker confirmation
- Faster promotion
- Significant head start compared to peers
- You will also receive a financial incentive of Rs. 25,000 along with the first month's payroll

If you do not clear the assessment, then you will go through the regular training program. I am very confident however that, being a future Infoscon, you have it in you to prepare well and 'crack' our assessments!
